

STAKEHOLDERS FEEDBACK ANALYSIS REPORT
FOR THE ACADEMIC YEAR 2016-2017

(Alumni)

OBJECTIVE FEEDBACK:

Curriculum design and development is a significant process of developing appropriate need based inputs in consultation with expert groups on the feedback from stakeholders.

In this regard, institution provides the necessary arrangements for the feedback responses from students, teachers, and other stakeholders on curriculum related institutional processes.

ALUMNI FEEDBACK:

We appeal our alumni to provide their sincere feedback to us through prescribed forms, emails and during alumni meets.

Based on the comments of alumni, analysis is carried out as follows:
